

*Do you know a single person or a small family who could use a nice home?*

*See the obverse for a wonderful offering that just might fill the bill!*

This month, I've added some local vendor coupons which could be of interest. All are offering something **FREE** as a way to say, "Thank you for the business!"

I hope you find these of value.

## Quick Shrimp Spread

More than once, this recipe has bailed me out when I needed something quick to take to a party but lacked the time available for my usual gourmet entree.

Chill all ingredients, if possible.

1 Can Tiny Shrimp

1 Package Cream Cheese

1 Bottle Cocktail Sauce

Crackers (Ritz, etc.)

*In an attractive bowl, set cream cheese, pour over shrimp and cover with cocktail sauce. Not everyone will like this but that's okay because I've known it to keep for several days in **my** frig! (ACL)*

*\*Buy 1 Bagel with Cream Cheese
